Pursuant to Section 7-3 of the Town of Castle Rock Home Rule Charter, notice is hereby given that the Town Council did adopt the following named and described Ordinance during a Regular Meeting on August 21, 2018 which commenced at 6:00 P.M. at the Castle Rock Town Council Chambers, 100 N. Wilcox St. Castle Rock, CO 80104

Title of Adopted Ordinance:

Ordinance No. 2018-024

An Ordinance Amending Title 17 of the Castle Rock Municipal Code by the Addition of a New Chapter 17.62 Entitled Group Homes and Other Conforming Amendments to Sections 17.01.020, 17.14.010, 17.18.020 and 17.18.030

Subject Matter Summary:

The proposed ordinance enhances the definition of "group home" and more clearly sets forth the parameters governing these types of uses in residential neighborhoods, by addressing the composition and number of residents and the separation between like uses. The proposed additions and amendments better align with State and Federal Statutes while striking a balance between the Town's and residents' interests in preserving the characteristics of residential neighborhoods and providing opportunities for those with disabilities to reside in neighborhoods that are enjoyed by those without disabilities.

The entire text of the proposed ordinance is contained herein, and copies of all documents are available for public inspection at the office of the Town Clerk, 100 North Wilcox, Castle Rock, Colorado 80104 during normal working hours between 8:00 a.m. and 5:00 p.m., Monday through Friday, excluding holidays.

**ORDINANCE NO. 2018-024**

**AN ORDINANCE AMENDING TITLE 17 OF THE CASTLE ROCK MUNICIPAL CODE BY THE ADDITION OF A NEW CHAPTER 17.62 ENTITLED GROUP HOMES AND OTHER CONFORMING AMENDMENTS TO SECTIONS 17.01.020, 17.14.010, 17.18.020 AND 17.18.030**

**WHEREAS**, the Town acknowledges the important role group homes play in providing individuals with disabilities the opportunity to live in normal residential surroundings; and

**WHEREAS**, the Town desires to ensure proper and effective treatment and care of individuals with disabilities in the Town; and

**WHEREAS**, the Town recognizes the vital importance of ensuring equal housing opportunities for those with disabilities; and

**WHEREAS**, the Town seeks to continue to provide a broad range of housing opportunities to those with disabilities and to better ensure those with disabilities have the opportunity to live in normal residential surroundings and to use and enjoy a dwelling in a manner similar to the way a dwelling is enjoyed by those without disabilities; and

**WHEREAS**, the Town understands that in order to fulfil the purposes of the Fair Housing Act, the Americans with Disabilities Act, Religious Land Use and Institutionalized Persons Act, and other state or federal requirements, reasonable accommodations might be necessary to afford those with disabilities an equal opportunity to use and enjoy a dwelling; and

**WHEREAS**, the Town will treat state licensed group homes serving nine or fewer persons with disabilities as a residential use; and

**WHEREAS**, in enacting this Ordinance, the Town is endeavoring to strike a balance between the Town's and residents' interests in preserving the characteristics of residential neighborhoods and providing opportunities for those with disabilities to reside in such neighborhoods that are enjoyed by those without disabilities; and

**WHEREAS**, the Town wishes to ensure and maintain the safety, character, and public welfare of the residential neighborhoods within the Town; and

**WHEREAS**, over the past several years, the Town has seen an increase in the number of single-family homes being utilized as group homes; and

**WHEREAS**, the definition of persons who are disabled or handicapped shall not include current illegal use of or addiction to a controlled substance, nor shall such definition include persons whose residency would pose a direct threat to the health, safety and welfare of other individuals; and

**WHEREAS**, housing inordinately large numbers of unrelated adults in a single dwelling or congregating group homes in close proximity to each other does not provide those with disabilities an opportunity to "live in normal residential surroundings," but rather places them into living environments bearing more in common with the types of institutional, campus or, dormitory living; and

**WHEREAS**, the Town Council recognizes that group homes and group residential facilities, when operated professionally to minimize impacts to the surrounding neighborhoods, including the secondary impacts from over concentration of such homes and facilities in neighborhoods, provide a benefit to the Town and its residents.

**NOW, THEREFORE, IT IS ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF CASTLE ROCK, COLORADO:**
