### YOUTH FLY FISHING

Encourage your child to experience the great outdoors through this interactive class. Hooked Fly Fishing will offer students weekly instruction in fly fishing by implementing a quality curriculum specifically designed for kids. With exciting games and tons of age-specific equipment, children will learn to love fly fishing. Students will learn about all of the tackle needed to go fly fishing, including knots, flies, several types of casts, along with reading the water and how to rig up a rod. At the conclusion, students will be invited to attend a fly fishing trip scheduled at the group's discretion. Limit 10 students. Kids ages 8-18 welcome.

**Dates:** Aug. 21 & 28  
**Reg. deadline:** Aug. 15

### HUNTER SAFETY CERTIFICATION

Hunter safety classes are available locally throughout the year. Courses are either online, home study, in-class or hybrid options to fit your schedule and learning style. Fees vary but cannot exceed \$10 for classroom options and \$20 for CRASH (intensive one-day instruction) courses. For information, a list of dates, and links to registration, visit [wildlife.state.co.us/Hunting/HunterEducation](http://wildlife.state.co.us/Hunting/HunterEducation).

### CONCEALED HANDGUN PERMIT COURSE

This advanced course prepares women and men, 21 years old and over, to apply for their Concealed Handgun Permit (CHP), also known as a CCW permit. A discussion of handgun rules and regulations is followed by demonstrations with various handguns and equipment used for concealed carry. A review of personal safety measures, how to respond to a deadly encounter, and the aftermath of a shooting is presented. The training certificate issued upon course completion meets State of Colorado competency requirements for the CHP. Students must have previous handgun training and shooting experience prior to registration, subject to instructor approval, or should take the Basic Pistol Course first.

**Dates:** Sept. 26, Oct. 24, Nov. 24, Dec. 12  
 Saturday 8:30 a.m.-5 p.m.  
 Fee: \$125

### BASIC PISTOL COURSE

This course is for beginners, who have little or no knowledge or experience with handguns. Taught by a NRA-certified instructor, this one-day classroom session is followed by one hour of live fire on a gun range. Professionally developed content helps students become familiar with all aspects of handguns in a safe and responsible manner. No handgun is required since all equipment will be provided. This is an excellent course to take before deciding if you want to purchase a handgun in the future. Courses are designed for small groups and individualized attention.

**Dates:** Aug. 15, Sept. 19, Oct. 10, Nov. 7, Dec. 5  
 Time: 8 a.m.-4:30 p.m.  
 Fee: \$185

### SKATEBOARDING SKILL BUILDING
