DOWNTOWN PARKING GARAGE THIRD STREET WEST OF WILCOX

*Shopping, dining and
doing business
downtown is easier.*

The downtown parking garage was built by Douglas County and the Town of Castle Rock to improve downtown parking.

There are 79 spaces on the main level available for public parking every day. The remainder of the spaces are used for County employee parking, freeing up street-level spots for downtown visitors. Handicap and van-accessible parking are provided in the parking structure.
