Dear Property Owners Adjacent to 1760 Meadows Blvd:

Verizon Wireless is proposing a Wireless Use by Special Review Site Development Plan (UBSR SDP) for the Town owned property 1760 Meadows Boulevard. Verizon proposes to install a 25' small cell site. The subject parcel is 5.707 acres and zoned Meadows Third Amendment.

A community meeting to discuss this project will be held 4/25/2017 at 6:30pm and located at "The Grange" 3692 Meadows Blvd. Castle Rock, CO 80109. We welcome you to attend.

Please feel free to reach out to me with any questions you have regarding the proposed small cell site or the public meeting.

Thank you,
