

The Meadows Neighborhood Park

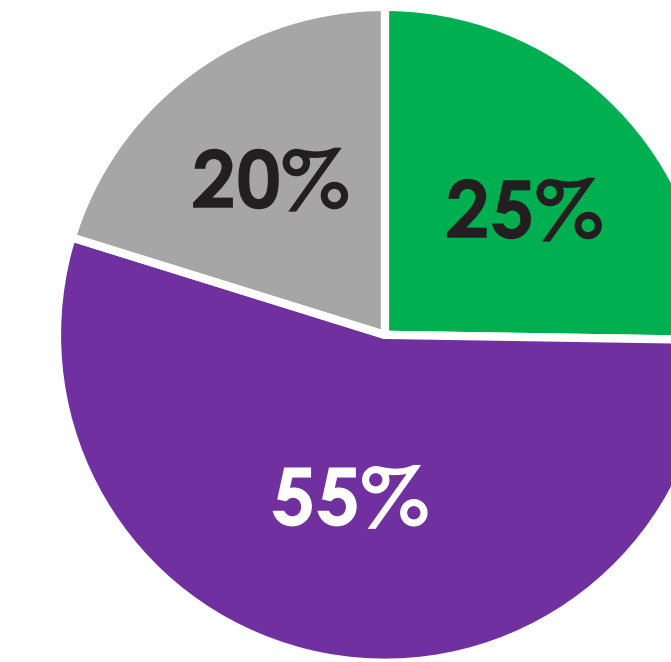

Community Meeting and Online Survey Results

Community Meeting Results: What features would you like to see in this park?

*445 stickers, both green and red, were placed on boards which displayed a list of park elements. Participants were then able to place a green sticker (like) or red sticker (dislike) on the park elements of their choosing. The following graph showcases the tallies of both "like" and "dislike" stickers.

Community Meeting Results: Which concept by Norris Design do you prefer?
