

Notice of intent to establish a Loading Zone space

DOWNTOWN PARKING

Notice for Third Street between Wilcox and Perry streets

The intent of this notice is to provide opportunity for public comment prior to a Loading Zone space being established in the location shown in the above photo. This location is on the south side of Third Street, just west of the alley that's east of Wilcox Street.

The Loading Zone would allow for 15-minute parking for loading and unloading only. That provision would be enforced to the extent possible by Castle Rock Police Department on Monday-Friday from 8 a.m. to 5 p.m.

Any comments regarding this proposed Loading Zone must be submitted in writing to the Castle Rock Town Manager's Office, 100 N. Wilcox St., Castle Rock, CO 80104, or kread@CRgov.com, no later than 5 p.m. Friday, Aug. 27, in order to be considered prior to implementation.

Questions may be directed to Assistant Town Manager Kristin Read at the above email or at 720-733-3552.
